Professional Experience

Junior Frontend Engineer — Codar Tech Africa

Lagos, Nigeria | Feb 2024 – Nov,2024

* Developed and maintained scalable React components used across multiple applications.

* Collaborated with UX/UI designers and backend teams to create seamless web experiences.

* Optimized site speed and SEO

* Integrated third-party APIs for dynamic content

Full stack web-Developer Instructor — Codar Tech Africa

Lagos, Nigeria | Feb 2025 – present

Deliver Engaging and Practical Lessons

* Plan and deliver structured, interactive lessons on HTML, CSS, JavaScript, React, and related technologies.

* Break down complex frontend concepts into easy-to-understand examples

Guide Hands-On Projects and Code Reviews

* Lead students through real-world projects and coding assignments to reinforce learning.

* Review and provide constructive feedback on student code to improve best practices and code quality.

Stay Updated and Maintain Curriculum Relevance

* Keep the course content updated with the latest frontend development trends, tools, and industry standards (e.g., React hooks, responsive design,).

* Suggest improvements or new topics based on feedback and emerging technologies
